## THE BARRE DAILY TIMES

BARRE, VT., JUNE 25, 1903

### Weather Predictions.

Boston, June 25.—Threatening with occasional rain tonight. Friday rain, slightly warmer to night. Light to fresh easterly winds.

### TALK OF THE TOWN.

Local Happenings Tensely Told For Busy Readers.

Ballard & Co., reliable insurance. Sale of petticoats at Abbott's Saturday. Goldard souvenir spoons this week at J. W. Holton's.

Wise housekeepers use Wise King Flour for bread, for it is the most economical. Ask your grocer.

### Golden Weddings.

Although about 45 per cent of married couples celebrate their silver wedding, only one couple in a thousand live to celebrate their golden anniversary.

### High Flyers.

Eagles have been noticed flying at a height of 8,000 feet and storks and buzzards at 2,000 feet. A lark will rise to the same height, and so will crows. As a rule, however, birds do not fly at a greater height than 1,000 feet.

### Straits of Gibraltar.

The entrance to the Mediterranean sea at Gibraltar is twelve miles wide.

### Didn't Like Rain.

Sainte-Beuve detested rain. On one occasion when he had to fight a duel he appeared with a pistol in one hand, an umbrella in the other. "I am willing to be shot," he exclaimed, "but not to get wet."

### Big Stones.

The Egyptian pyramids cannot vie in size of stones with the ruins at Baalbec, in Syria. The stones of the latter are sixty feet long and twenty feet square.

Wrappers. Wrappers. We have them in Lawns, Percales and Prints at \$1.00, \$1.25 and \$1.50. Fitts.

If tired of paying rent, read the ad. of the D. A. Perry Real Estate Agency on page 7.

A new lot of China Silk Waists just received at \$2.50, \$2.75, \$3.50 and \$3.98. H. Fitts.

**Earthquake Waves.**  
An earthquake wave has been known to travel over the Pacific ocean in twelve hours and sixteen minutes—that is, at the rate of six miles a minute.

### Going Upstairs.

Don't bend over double when ascending a flight of stairs. Give the lungs full play, for you need plenty of breath.

### Early Steel Pens.

Early steel pens were so costly that makers advertised they would make such repairs as were necessary for a stated time, generally six months. When a man damaged his pen he carried it back to the factory and had it mended by an experienced mechanic.

## SEGEL & BRADY

A Word to Our Patrons!

We did not move from the Blue Store in May, as we supposed we would be obliged to do, owing to the fact that the owners of the property decided not to build on the corner of Depot Square and Main Street this Summer. Consequently our lease has been extended fourteen months longer, when all the other tenants' leases will run out, at the expiration of which time, it is understood, a large block will be erected by the Sortwell estate on the site of the Blue Store.

As we are to remain in our present quarters another year, we shall offer you from day to day the greatest values in **Clothing, Shoes and Furnishing Goods** to be found in this section. We carry the largest variety of strictly Union-made merchandise in this county. When you are ready to look our goods over or wish to purchase give us a call and we will prove our statements to you. The Union label on our merchandise speaks for itself.
